Applicant

ORDER RENEWING THE LIMITED LICENSE

By its *Order Granting the Limited License* dated January 23, 1991, the Medical Examining Board granted a license to Dr. Spiegel imposing certain terms and conditions. Included among these were that Dr. Spiegel complete the chemical dependency program at McBride Center for Impaired Professionals, Milwaukee, Wisconsin; and that as a part of the program, Dr. Spiegel submit to random, witnessed monitoring of his blood or urine for the presence of alcohol and controlled substances. Dr. Spiegel was also prohibited from holding or applying for a DEA registration. The term of the license was for one year.

By letter dated December 16, 1991, Dr. Spiegel petitioned for renewal of his license, and petitioned as well for an unrestricted license to practice medicine and surgery. By its Order dated January 27, 1992, the board modified the license to decrease the number of required screens to one each month, but made no other modifications to the license.

By letter dated March 17, 1992, Dr. Spiegel petitioned the board to modify the limited license to permit him to apply for and hold a DEA registration. Dr. Spiegel appeared before the board at its meeting of April 29, 1992, in support of his petition, and the board granted the petition by its Order dated May 13, 1992.

Dr. Spiegel appeared before the board at its meeting of January 21, 1993, as required by the board's January 27, 1992 order. At that time, he requested that the board grant him a full, unrestricted license. The board considered the request on that date, and decided that considerations of comity militate for continuation of the limitations on Dr. Spiegel's license at least until the expiration of the limitations imposed by the Missouri State Board of Registration for the Healing Arts dated November 1, 1989. Accordingly, based upon all information of record herein, the board orders as follows:

1944-45 115

ORDER

NOW, THEREFORE, IT IS ORDERED that the limited license of Barry I. Spiegel, D.O., to practice medicine and surgery is hereby renewed for a period of one year. Dr. Spiegel shall appear before the board at the end of one year in support of any application for renewal of the license.

IT IS FURTHER ORDERED that all other terms and conditions imposed by the Board's Order Granting Limited License dated January 23, 1991, as modified by the board's Orders dated January 27, 1992, and May 13, 1992, shall remain in full force and effect.

Dated this 29 day of Jan, 1993.
